If this Index ever becomes unavailable, the credit union will choose a new Index which is based upon comparable information.

The Margin may be different for purchases, cash advances, balance transfers and any penalty rate. The Margins and Interest Rate applicable to your account are disclosed in this Addendum and may be subject to minimum and maximum Interest Rates. In any case the Interest Rate will never be greater than the maximum amount permitted by law. Any increase in the Interest Rate will take the form of additional payments.
