### **Who is Promotional Spring?**

**Promotional Spring began in 1955 in a garage and has grown into a national provider of print and marketing solutions.**

We imagine, solve, create, print, assemble deliver the very thing you need to promote your product or service. We are located in Miamisburg, Ohio and employ 32 people.

### **How has River Valley partnered with you over the years?**

River Valley has served us from our inception until today. Without their partnership, we would never have been able to grow into the company we are today. They have been a great client, but more importantly, they have helped us finance and grow the company along the way.

### **What do you do in your non-work time?**

I spend time with my family, teach at my church and coach youth sports.

### **Who has been your greatest inspiration and why?**

My dad. He showed me the value of hard work, the importance of faith and family first.

### **What advice would you give someone who wants to start a business?**

It's not for everyone, but if it's for you, pour yourself into it and do everything you can to develop yourself along the way – the company's potential and your own ceiling are directly related. Keep balance in your life – work shouldn't come before family.
